SURFACE MINER PROGRAM

Heavy Equipment Operator Training — Program Outline

This document gives you the advantage of customizing your Surface Miner Program. We help communities, companies, municipalities, contractors, and organizations with guidance through the implementation process of the Surface Miner Program, from fully certifying employees and trainees to full program delivery. This option gives you full control over the program. Implementation of the Surface Miner Program guarantees full transcripts without expiration, helping create fully recognized certified operators through the Ontario Ministry of Labour, Immigration, Training and Skills Development.

New Trainees

The first three (3) Common Core modules must be completed before any of the heavy equipment operational training below can begin. This takes approximately two (2) to three (3) days to complete. The Common Core is an in-class training session that runs from 9:00 am to 4:30 pm, with a 30-minute lunch and two 15-minute breaks (one in the morning, one in the afternoon). Heavy equipment training takes between two (2) to six (6) weeks, depending on the type of equipment used. **This does not include experienced operators.** Our company can train on any heavy equipment currently present in your community and workplace. The more modules a trainee receives, the greater the opportunity to find employment.

Program Requirements

- A driver's licence is **not** a requirement for trainees.
- Anyone 16 years or older can enroll.
- English language is required.
- Participants must be able to lift a minimum of 50 lbs.

What Each New Trainee Will Receive

1. WHMIS (wallet card)
2. Fall Protection (wallet card)
3. Lock Out Tag Out (wallet card)

4. Certificate of Completion
5. Surface Miner Program Record of Training Book (Ministry of Labour, Training and Skills Development)
6. Ontario Ministry of Labour, Training and Skills Development 770210 transcripts

What Will Be Provided by First Nations Safety & Training

Personal Protective Equipment (PPE):

1. Hard Hat
2. Vest
3. Gloves
4. Safety Glasses
5. Lock & Tag
6. Steel Toes

Participants Per Program

Minimum: eight (8) | **Maximum:** fifteen (15)

These prices do not include the following expenses: heavy equipment rental, fuel, accommodations, meals, and travel.

Training Options

Option “A”

OPTION "A"	MODULES	COST
U5030, U5031, U5032	Common Core	**$550.00**
U5041, U5052, U5051, U5053	Operate Service Vehicle Operate Portable Pump Operate Generator Over 10KVA Operate Compressor	**$1,000.00**
U5035	Operate Skid Steer	**$800.00**
8 Modules TOTAL		**$2,350.00**

Option “B”

OPTION "B"	MODULES	COST
U5030, U5031, U5032	Common Core	**$550.00**
U5034	Operate Hydraulic Excavator	**$1,000.00**
U5036	Operate Bulldozer	**$1,000.00**
U5039	Operate Front End Loader	**$1,000.00**
U5038	Operate Grader	**$1,200.00**
U5042	Operate Production Haulage Truck	**$800.00**
8 Modules TOTAL		**$5,550.00**

Option “C”

OPTION "C"	MODULES	COST
U5030, U5031, U5032	Common Core	**$550.00**
U5044	Operate Forklift	**$1,000.00**
U5039	Operate Front End Loader	**$1,000.00**
U5035	Operate Skid Steer	**$800.00**
U5042	Operate Haulage Truck	**$800.00**
7 Modules TOTAL		**$4,150.00**

Option “D”

OPTION "D"	MODULES	COST
U5030, U5031, U5032	Common Core	**$550.00**
U5034	Operate Hydraulic Excavator	**$1,000.00**
U5036	Operate Bulldozer	**$1,000.00**
U5039	Operate Front End Loader	**$1,000.00**
U5044	Operate Forklift	**$1,000.00**
U5041, U5052, U5051, U5053	Operate Service Vehicle Operate Portable Pump Operate Generator Over 10KVA Operate Compressor	**$1,000.00**
U5042	Operate Production Haulage Truck	**$800.00**
U5035	Operate Skid Steer	**$800.00**
13 Modules TOTAL		**$7,150.00**

Customize Your Own Training

Select your own modules from the equipment below. **Note:** Common Core is a mandatory module.

MODULE "E"	MODULES	COST
U5030, U5031, U5032	Common Core **(mandatory)**	**$550.00**
U5038	Operate Grader	**$1,200.00**
U5034	Operate Hydraulic Excavator	**$1,000.00**
U5036	Operate Bulldozer	**$1,000.00**
U5044	Operate Forklift	**$1,000.00**
U5039	Operate Front End Loader	**$1,000.00**
U5042	Operate Production Haulage Truck	**$800.00**
U5035	Operate Skid Steer	**$800.00**
U5033	Operate Elevating Work Platform	**$800.00**
U5045	Operate Portable Conveyor	**$800.00**
U5047	Operate Portable Crusher	**$800.00**
U5049	Operate Portable Screen	**$800.00**
U5040	Operate Fuel Truck	**$600.00**
U5043	Operate Water Truck	**$600.00**
U5041, U5052, U5051, U5053	Operate Service Vehicle Operate Portable Pump Operate Generator Over 10KVA Operate Compressor	**$1,000.00**

Experienced Operators (Option “F”)

This section is geared toward companies, contractors, communities, and organizations with experienced operators who work directly with aggregate, mining operations, and excavation earthworks. We are able to certify on the spot, with job observations specific to the equipment. This is intended for experienced operators who don’t have the credentials to legally operate their specific equipment.

This is a one-day rate quotation, specifically for companies using their own equipment. Depending on the modules chosen, the length of time required for job observations to complete sign-offs will vary. Experienced operators will have their own PPE.

One-day rate: ***$1,250.00/day***

Available Modules — Experienced Operators Only

CODE	MODULES
U5030, U5031, U5032	Common Core
U5038	Operate Grader
U5034	Operate Hydraulic Excavator
U5036	Operate Bulldozer
U5044	Operate Forklift
U5039	Operate Front End Loader
U5042	Operate Production Haulage Truck
U5035	Operate Skid Steer
U5033	Operate Elevating Work Platform
U5045	Operate Portable Conveyor
U5047	Operate Portable Crusher
U5049	Operate Portable Screen
U5040	Operate Fuel Truck
U5043	Operate Water Truck
U5041	Operate Service Vehicle
U5052	Operate Portable Pump
U5051	Operate Generator Over 10KVA
U5053	Operate Compressor
